In the unlikely event that the Registered Training Organisation (RTO) ceases operation, the RTO is required to provide to ASQA a record of all qualifications and statements of attainment issued to students. The RTO will assist all students in transferring to another RTO to complete their studies and abide by the requirements set out by ASQA to any financial obligations.

Release of Contact Details and Information

To ensure that Registered Training Organisations meet the national standards and offer quality training to participants, ASQA and other regulatory bodies conduct regular audits. Enrolment Process

Upon booking with Men At Work Training & Assessment, participants will be required to provide the minimum information in order to verify their USI number. On arrival on the first day of training, they will then be required to complete their enrolment by filling out the enrolment form. The steps in the enrolment process are as follows.

Step 1: Participant Contact

When the participant contacts Men At Work Training & Assessment, they are advised of the dates and availability of courses.

Step 2: Obtaining a Unique Student Identifier (USI)

Participants are then advised to obtain a USI from the USI website (www.usi.gov.au). If the participant already has a USI, the USI will need to be verified before they are booked into the course.

Step 3: Booking

Participants will be asked for their full name and date of birth in order to verify their USI number prior to booking. Participants are then asked questions to determine they are enrolling into the appropriate course. Participants will also be asked about their capability with Language, Literacy and Numeracy (LLN).

Once this information is obtained participants are booked into the appropriate course and are sent the Enrolment Confirmation email. There are Enrolment Confirmation emails relating to each course type which outline the specific requirements of each course that the participant has booked. This email also outlines the terms and conditions, cancellation policy and links to the website which contains further information about the course, Participant Handbook and LLN form.

Step 4: Enrolment Completion

On arrival to the course, participants are asked to provide evidence of identity (as outlined in the Enrolment Confirmation). They are also asked to sign onto the attendance list and fill out an enrolment form. Participants need to read the terms and conditions on the enrolment form and

sign before commencing training. This information is then entered into the student file for reporting purposes.

Step 5: Course Completion

- On completion of all coursework, if the participant has been deemed competent by the trainer/assessor, the participant is marked as 'Competent' and a Statement of Attainment is issued. After this, relevant industry cards/tickets are issued by the appropriate industry body (e.g. SafeWork, RMS or Liquor and Gaming). Participants will be provided with a soft copy of their Statement of Attainment and can request a copy of this at any point on completion of their training.
