## TRAINING COURSE AIM

The yellow card training program has been designed by the Elevating Work Platform Association of Australia (EWPA) for people needing to develop the skills and knowledge required to operate mobile elevating work platforms (MEWPs or EWPS). This course will provide training in the safe use of various types of EWP's including boom length up to 11 metres (specific classes can be requested for groups).

## COURSE CONTENT

The EWP Operator licence/ Yellow Card Training course offers comprehensive theoretical and hands on training provided by Trainers accredited by the EWPA. In completing this course, you can expect to learn the skills required to safely operate various types of MEWP's.

Course participants will gain theoretical knowledge as well as practical skills in the following areas:

- Hazard identification, risk assessment and controls
- Fall arrest harness inspection, fitting and use
- Identify safe operating parameters using data plate and manual
- Conduct pre and post operational checks
- Operation of EWP
- Emergency procedures
- Theory assessment and practical observation and demonstration

## CLASSES AVAILABLE

\*Vertical Lift (VL) \* Scissor Lift (SL) \*Self Propelled Boom Lift (BL) \*Truck Mounted Lift (TM)

All courses are conducted by EWPA Accredited Trainers and are highly experienced in this field.

## COURSE OUTCOME

Upon successful completion participants will receive an EWP operator card (EWPA Yellow Card) Licence. This is valid for 5 years. Upon expiry of your licence, you are able to renew or refresh your licence. Please phone the office to ask more about these options. If you require a Statement of Attainment for RIIHAN301E - Operate Elevating Work Platforms, you are able to apply for an additional \$50 through the EWPA - please notify this prior to training as you will be required to complete more paperwork.
